## CRITERION I – CURRICULAR ASPECTS

### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Time table committee of the college prepares a detailed time table for the academic session of all the faculties (Arts, Commerce and Science) separately. It is widely displayed in the campus on Notice Boards and college website and also distributed to all the teachers for implementation. On the basis of the strength of the students each subject is given three periods for the first-year students, two periods each for second and third-year students in a day. The remedial classes are mandatorily the part of student's time table. The College administration ensures the timely compliance of the time table schedule through regular checking. The syllabus of all the subjects is divided in three parts, first part is completed before Dussehra & Dipawali vacations, second part is completed before the Winter vacations and the third part is completed well before the annual examination which generally starts in the second week of March every year for UG. Similar pattern is adopted for the PG Classes in synchronization with the semester examination schedule of the University. We try our level best to provide 200 days of teaching in an academic year. Special classes (if needs be) are engaged during vacation or off-hours to compensate for the time lost in examination/evaluation. extra and co-curricular activities. The college is in constant touch with the University and tries its level best to keep abreast with the guidelines laid down by the University for the Effective functioning of the curriculum. Because of its semi urban semi rural location the college has to strive much to bring in new concept & methodology into its programs of Learning and Teaching.

### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>1. On the basis of the students' feedback a meeting of all the teachers is called to assess and analyse it. Looking into the matter with specific focus on the students' understanding of the subjects imparted in the class room, necessary steps are suggested to the teachers regarding the medium and the ways of imparting the subjects to the students. 2. It is kept in mind that majority of the students coming from rural back ground have least access to the modern ways of teaching. Specific attention is given to the comparatively weak students in all the subjects. Extra remedial classes are arranged for the students of English literature, Sanskrit literature, Economics, and Commerce (Accountancy) etc and other subjects according to the need and requirement. 3. The classes with bigger number of students are provided with audio system for better listening, clarity and understanding. 4. The academic feedback is collected regularly from the class representatives. 5. General Feedback: regarding the general facilities including canteen, general hygiene and cleanliness. The actions to problems of urgent /immediate nature are addressed by the authorities immediately. 6. Faculty Feedback: The academic feedback collected from the students having 60 or more attendance is analyzed and the necessary corrective measures are suggested to faculty members by the Principal through meetings. The feedback is also shared with the department for any</p>

corrective measures. 7. Parents Feedback: The parents' feedback enables the parents to give suggestions regarding the curriculum of their wards which is further taken into consideration and incorporated. 8. The alumni of the college who have moved on to industry or for higher studies also give feedback on how their years in the institution have helped them perform in their places of work/study. The alumni also give constructive suggestions on helping the students achieve greater focus and improving themselves. 9. The feedback is also received on library facilities, infrastructure and sports and necessary suggestions are incorporated.

The governing body of our college in consultation with the Principal and different other committees constituted for this purpose allocates the funds to various needs as per the budgetary provisions. The College management system has evolved an effective mechanism to maintain the entire infrastructure on regular basis. There is a maintenance committee comprising teachers and office staff to look into the matters related to cleanness, repairing and whitewashing of the building of all the three faculties. The working of all the equipments, gadgets and laboratory systems are taken into account at regular intervals and are maintained and upgraded as per the need. Sanitation, security and safety of all the assets are maintained by the concerned staff assigned for these purposes. The committee members of IQAC keep close watch and vigil over the upkeep of the entire campus. The architects, civil engineers, interior designers, material suppliers and contractors are hired through a competitive bidding on the basis of the nature of the work. Such expenses are scrutinized by the building and development committee and maintenance committee. After their approval it is placed before Governing body for the final approval.
